Kelly's sexy new website

The internet just got 12.3 per cent better!

TIME WAS, you needed a joint honours degree in programming and beard growing to build a website. But today anyone with a laptop, a camera and some words rattling around in their heads can do it! Like the legendary Kelly Brook.

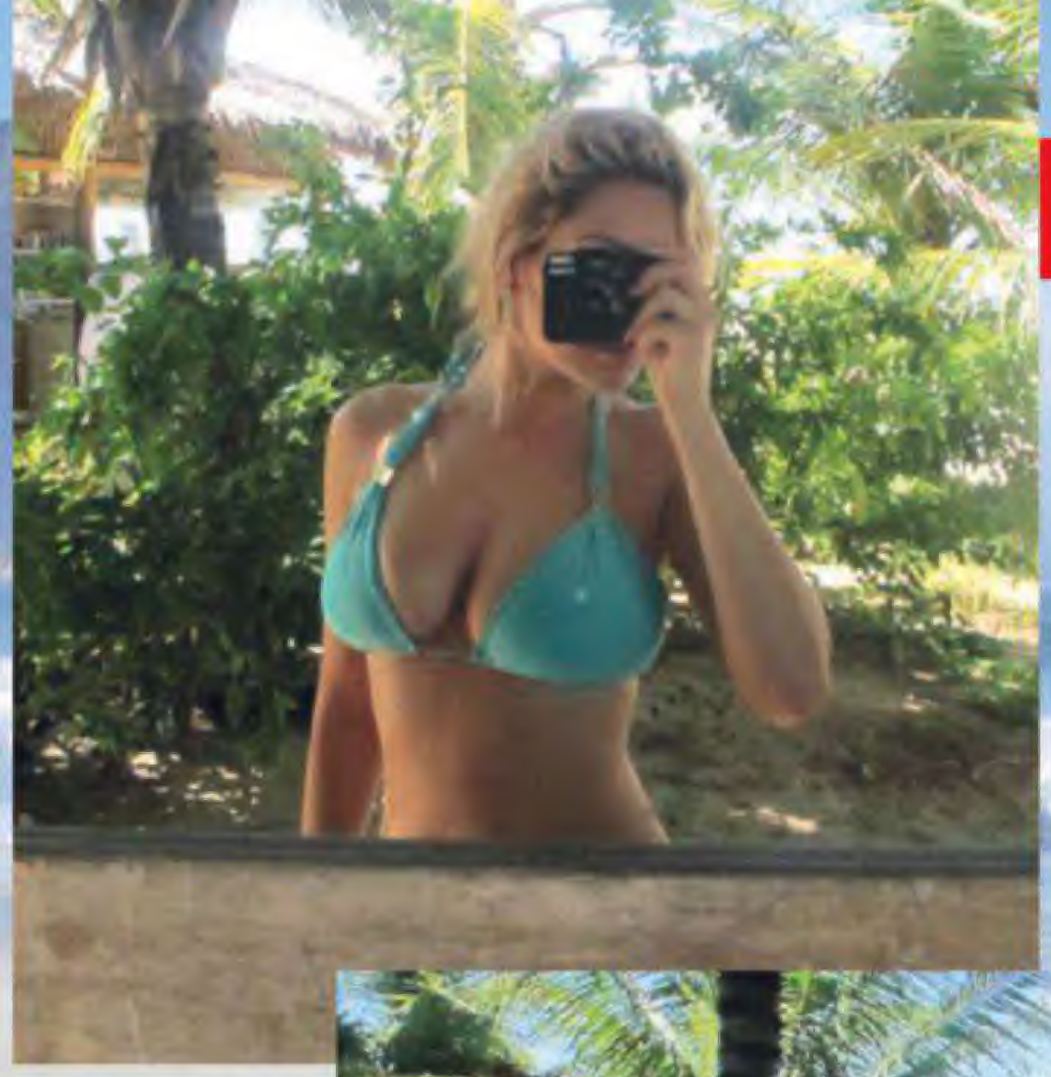

So she's filled a site with awesome snaps of lingerie shoots and bikini-heavy holidays. Honestly, you're so close, you can almost smell her! (Angel feathers and fairy sighs, we reckon.)

£15m super yacht!

That's controlled by an iPad!

WHEN APPLE'S smug ad chucklingly chimes, "There's an app for that!" we imagine they probably weren't thinking of one-off, £15m super yachts. But the Adastra – a 42.5m-long billionaire's plaything made in Hong Kong – can be controlled by an iPad. As long as you stay within its 50m range.

The boat took three years to construct, under the watchful eye of its owner, businessman Anto Marden, who can either use it to hop across the two islands he owns off Indonesia, or stroll the 4,000 miles between the UK and New York – it's the first craft of its size that can do this in a single schlep. If you can afford the £42k to fill it up!

THE APP
"At first we thought, 'That's a bit of fun,'" said the yacht's designer John Shuttleworth. "But it's a serious high-tech piece of equipment. You can control everything on the yacht from the iPad, including steering."

MAIN DECK
The main saloon has panoramic views with wraparound sofas and a dining area. Upstairs, an open deck has sofas on two sides with access to the cockpit and a rear diving platform. Up front is a sunbathing deck.

WORDS: RORY BUCKERIDGE PHOTOS: ORION SHUTTLEWORTH DESIGN LTD

Stormdrop.com

COMPOSITE HULL
The hull is made from a composite material (glass and Kevlar foam sandwich), but Anto considered, and rejected, full carbon fibre: "We luckily decided against that. It would have been possible, if a bit more expensive."

FILL HER UP!
The ship may have a 4,000-mile range, but that equates to 77 tonnes of petrol, which would cost around £42k to fill up at a petrol station. Its incredible light weight is key to fuel savings: even the loos are carbon fibre.

POWER
It's powered by a 1,150bhp Caterpillar C18 engine and two Yanmar 110bhp outriggers. The vessel has a fully automated fuel-management system which includes a system for cleaning the fuel before it's put in through the engines.

INTERIOR DESIGN
"Super yacht-wise the most important person is the interior designer. They get much more money," said Anto. He went for the brilliantly-named Dane Inge Strompf-Jepsen, an ex-Commodore of the Royal Hong Kong Yacht Club.

A quick word with Samuel L Jackson

The *Avengers Assemble* star on superpowers, fame and making the most cash of any actor, ever!

Hi Samuel! Would you say that you need superpowers to be a movie star?
No, you need a good agent, ha-ha! An agent with superpowers!

Being a film star, do other people treat you like a superhero?
No, they treat you like a movie star. They don't expect you to save them or do extraordinary things. They just want to take pictures with you. Or have an autograph.

Do you like that kind of recognition?
You know, I have days when I'm OK with it and I have days when it's an imposition. I'm like everybody else. Some days, I just want to be left alone, but I don't want to stay home, so I leave home and do the things that I do and try to be as normal as I can, but people just don't let you.

What's your favourite normal thing to do? When you say that you just want to be normal, what would that day look like?
Most people don't pay that much attention to me if I'm alone. Well, I'm usually alone anyway. I don't have bodyguards, I don't have an entourage. People will go, "Sam! Sam!" And if I don't turn around and answer, then they will assume I wasn't him. Some people, you can hear them running, and they will pass you and come back down the street, trying not to notice. You think, "You actually ran all the way down the street past me and came back to see if I was me!" And they are like, "Sorry. Can we take a picture?" And I say, "No. I'm not me, ha-ha!" That's my favourite normal thing to do. Walk around and tell people no.

When you were talking to [*Avengers Assemble* director] Joss Whedon about this project, was there anything that you asked him to put in?
Yeah, I told him not to put any running in the script. I did not want to run.

Why's that?
Well, I just had my knee cleaned out. It was still very sore and I was like, I don't need to be running around. So, I asked him not to run and he said, "I'm sorry, I have to put in one." So I get to run once. That was pretty much it.

You're the highest-grossing actor of all time. That's pretty impressive!
Yeah. It's a dubious honour. It's like, OK, your movies have made more money than any actor in box-office history.

Well, it's an impressive boast!
No, it's just a name thing. My name is on that movie, and that movie made X number of dollars. I remember when I did *Star Wars: Episode I*, George Lucas said, "When this movie comes out, you are going to be number one in box-office history!" I was like, "As what?" He's like, "The highest grossing actor. Harrison Ford was it but when this movie comes out, you'll pass him." I was like, "Oh, well, I'm probably going to pass him before that, because I've got this little movie called *The Incredibles* that's coming out. I think it's going to make a lot of money." So George was sort of disappointed that it wasn't *Star Wars* that put me in that number. So it's OK. It's a great piece of trivia, but all that money belongs to a whole bunch of other people, ha-ha! Maybe I'll maintain the title for a while but if they make five more *Harry Potter* movies or three more vampire movies, those kids might pass me, too. But I don't know.

So you're OK if somebody passes you, or do you want to keep that title?
It's not a title. I don't get anything for that. It's just something that you get to talk about, and other people say. It's interesting, but it's not going to get me another job.

You *are* a box-office draw, though, aren't you?
Yeah, I think so. It also means that I made 15 movies that made a tonne of money, and I made 90 other movies that made moderate amounts or made enough money to recoup for people. But yeah, people like my movies, some of them, and it works out.

Do you have a favourite movie of yours?
The Long Kiss Goodnight.

Finally, which among the Avengers superheroes do you most relate to?
Me? Nick Fury – he's not extraordinary.

● *Avengers Assemble* hits cinemas this Thursday

"Now, *that*'s a torch, muthaf**ker!"

There are rumours that Samuel L Jackson's one-eyed spy will star in his own SHIELD movie!

Avengers Assemble: the first review

But is the movie any good?

★★★★★★★★★★★★★★★★★★★★

The plot: Evil frost giant Loki plans to subjugate the Earth with the aid of an alien army. He needs the mysterious Tesseract to open the space portal. Cue SHIELD director Nick Fury assembling crack heroes the Avengers – Captain America, Hawkeye, Thor, Iron Man, Black Widow and The Hulk – to stop him. Shenanigans ensue.

The action: From an early scrap between Thor, Iron Man and Captain America to an adrenaline-pumping attack on a huge, floating battleship to the final duke-out in New York, it's a movie that rarely pauses for breath. The performers – notably Brit actor Tom Hiddleston as haughty villain Loki – gel seamlessly and, perhaps surprisingly, the two standout moments are nabbed by The Hulk.

★★★★★★★★★★★★★★★★★★★★

Verdict: Amazing action allied to a cracking script and some zingy sight gags mean this will almost certainly take the title of blockbuster of the year. It's going to be utterly massive. ★★★★★

Amazing bespoke supercar

Meet the Touring Superleggera Disco Volante!

- **You can forgive a motor company for giving a car such a complicated name when they produce vehicles looking so damn slippery and gorgeous.**
- Think of Carrozzeria Touring Superleggera as an Italian styling house that likes to re-dress fast Alfa Romeos with flash new clothes – clothes that in their words are "insensitive to wind". That's aerodynamic as opposed to anything to do with Heinz beans.
- **The Disco Volante – which directly translates as "flying saucer" in English – is a modern homage to the 1952 Alfa C52 race car that shares the same name. Touring Superleggera designed this 60 years ago and felt it was time for a reboot.**
- So, the Milan-based coachbuilders took the chassis of a completely-sold-out Alfa Romeo 8C Competizione as the donor for their 4.4m-long creation. That means the Disco Volante is graced with an Alfa 450bhp 4.7-litre V8 (built at the Ferrari factory), an automated Selespeed paddle-shift gearbox and rear-wheel drive.
- **Just like the Alfa of 1952, it features a hand-made aluminium space ship-inspired body but this time with an emphasis on luxury rather than a balls-out race car. The front wheels are slightly covered at the top and the rear end finishes with a boat-tail point – classic vintage race car features.**
- By "luxury" we mean something comfortable enough for a naughty weekend away that can take you to 62mph in 4.2secs and 181mph if you leave the pedal buried.
- **Touring Superleggera aren't exactly in the business of mass production. Only three of the original 1952 Disco Volante models were ever sold, and production of this 2012 version will likely remain in single figures.**
- Apparently customers aren't just buying a car when they order a Disco Volante. Their deposits could contribute towards developing the car and each customer will receive money back for every vehicle sold.
- **This all sounds a bit wacky, but then the proposed asking price is suitably mad, too – between £500K and £1m. The 8C Competizione, on which it's based, wasn't exactly common, with just 500 being made and only 40 coming to the UK. That cost £111,000 and sold out immediately.**

Looper first look

Mind-bending, time-warping action flick incoming!

RIGHT, ENGAGE brain – here's the pitch. *Looper* is a time-travelling hitman movie where organised crime bosses send targets 30 years into the past for a waiting "Looper" assassin to immediately stick a big bullet in their brains.

These chaps live a life of privilege, with the only certainty being that their bosses will eventually close the loop and send their future selves back for assassination.

Here's the MacGuffin: *Inception* star Joseph Gordon-Levitt's future self – played by Bruce Willis – manages to escape the hit, so there are two of them running around, each trying to finish off the other.

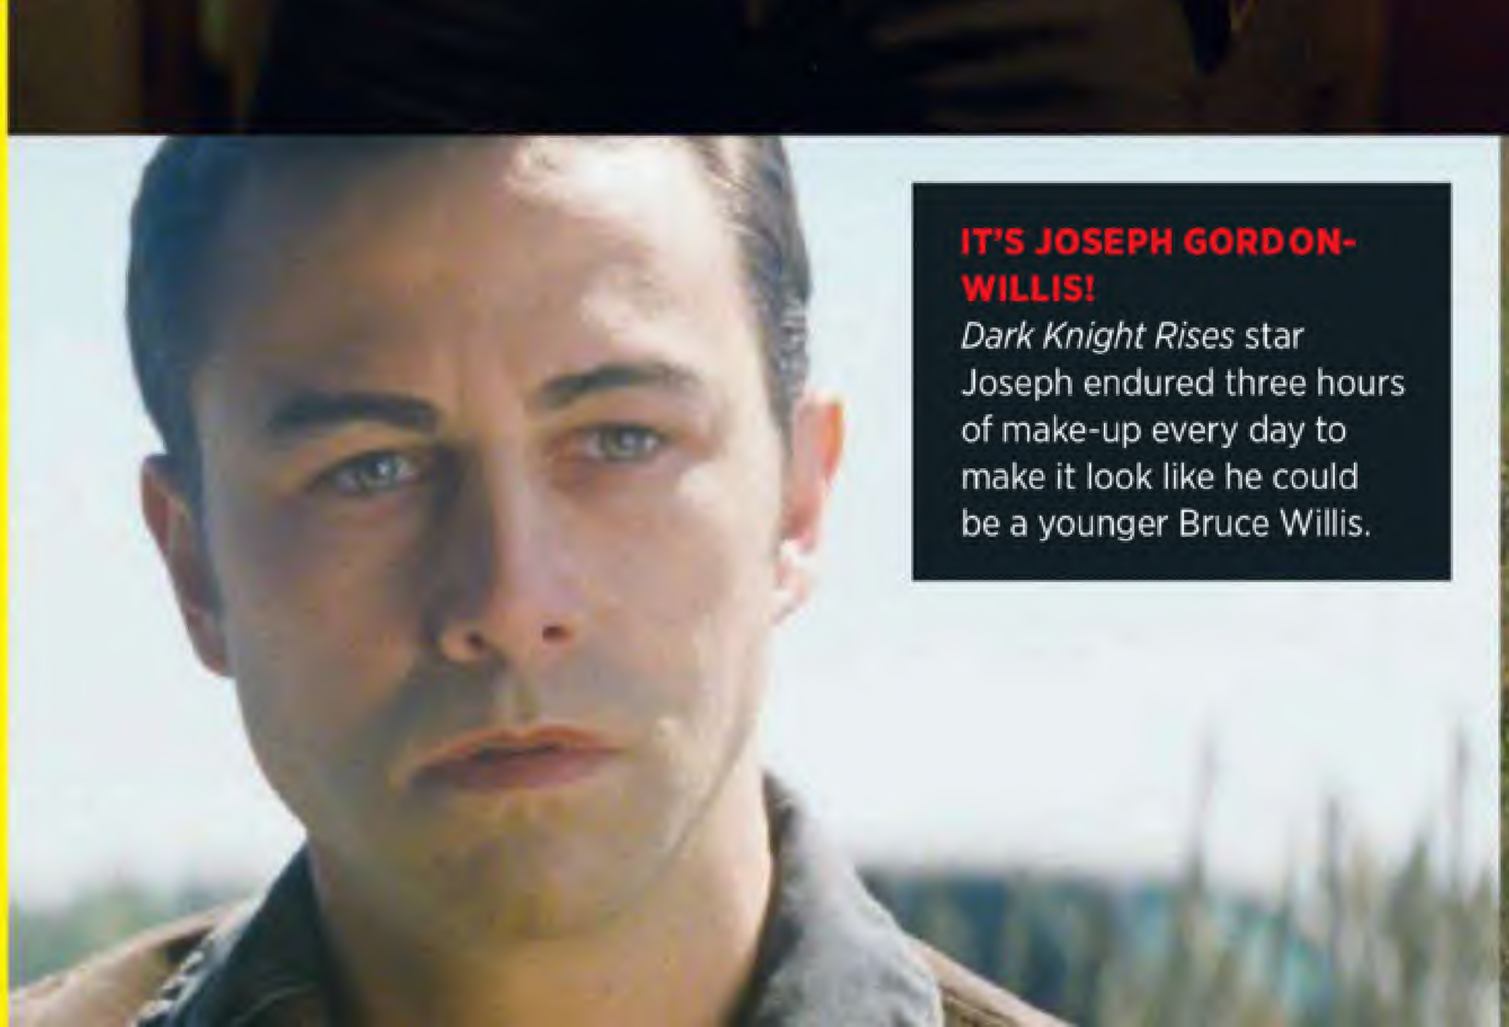

Got it? Good, because it looks flubbing terrific, so roll on September when it'll be viewable in your local cinema house.

WORDS: RORY BUCKERIDGE

BRUCE'S LOOT!

Bruce Willis ranks as the 17th highest-grossing actor of all time. One above Robbie Coltrane.

IT'S JOSEPH GORDON-WILLIS!

Dark Knight Rises star Joseph endured three hours of make-up every day to make it look like he could be a younger Bruce Willis.

PAYMENT IN FULL
Hits usually return from the future with silver bars – payment for the hit – strapped to them. If it's gold bars, then you know you've offed your future self.

MEET THE LOOPERS
Only organised crime bosses have access to time-travelling technology, so it's only ever used to send targets back to the waiting Looper hitmen.

THE TARGETS
Contracts are flung back in time 30 years, appearing in fields in the middle of nowhere to be disposed of quickly and discreetly by the Loopers.

TELEKINESIS
In the future, some humans have developed telekinetic powers. For most, it's confined to spinning coins. Others, however, are way more powerful...

WELCOME TO THE FUTURE
The 2040s in the movie are much like our times, but with the odd tweak – flying vehicles for one. And time travel, for another.

Eel vs puffer fish. It didn't end well

NATURE IS usually a simple beast. There are predators, and there are prey. One slops life's metaphorical ketchup onto the other. But no one told this plucky puffer fish off Grand Cayman, who did for this moray eel in an unusual table-turning incident.

There's a delicious sense of inevitability here. Moray eel bites puffer fish. Puffer fish does that puffer fish thing. Both expire, probably slowly. They wash up ashore – still in Death's dark embrace – for some bloke to snap some pictures.

So honours even, then. Next week, Wigan take on a top-four Premier League team and, oh...

THE IDEA
Living rapper Dr Dre had the idea to bring Tupac back to life, and contacted San Diego company AV Concepts – the company who create holographic members of Gorillaz for their live shows – to make his vision a reality.

"Tupac" performs live (well, liveish...) on stage at Coachella

THE HOLOGRAM
The image is then projected using Musion Eyeliner technology, which involves creating a high-definition holographic video projection.

Tupac's resurrection: how it's done!

Holograms and CGI bring rapper back from dead!

THE GHOSTLY reappearance of long-dead rap legend Tupac Shakur (killed in 1996) at this year's Coachella music festival turned heads and probably spooked a few stoned festival fans.

The lavish £100,000 hologram stunt even saw bullet-riddled ex-rapper Shakur addressing the crowd in what seemed like his own voice. So, *Nuts* asks, just how on earth did they do it?

THE TECHNIQUE
Musion Eyeliner is actually closely based on a Victorian trick known as "Pepper's Ghost," which used plate glass and lighting to make objects appear or disappear. Think of the reflection you see in a dark glass window, and how it disappears when a light comes on, and that gives you a rough idea of the trickery at play.

THE VOICE
Although AV concepts have said they're not allowed to go into detail about how Tupac was able to perform in sync with Snoop Dogg, their president Nick Smith has hinted that his voice was animated, and not taken from footage. "You can take their likenesses and voice and make people perform music they haven't sung and digitally recreate it," said Nick. Coming soon: Kurt Cobain does Manchester!

THE IMAGE
The actual lifelike image of Shakur was created by Hollywood effects house Digital Domain, the CG factory that made CG images of Jeff Bridges in *Tron: Legacy*, and Kevin Bacon in *X-Men: First Class*. Specific details, including life-size tattoos, Timberland boots and jewellery, were all painstakingly recreated on Tupac's likeness, under Dr Dre's direction.

79,000-mile flame throw!

It's a "coronal mass ejection" from the surface of the sun. And it's quite big!

WORDS: RORY BUCKERIDGE
PHOTOS: NASA, SHUTTERSTOCK

THE WEIRD thing about this event – our sun spitting out an impressive plume of white-hot plasma – is that it's just warming up. This sun burst, or "coronal mass ejection" in boffin-speak, is what happens when the sun's magnetic fields force out a gigantic amount of unfathomably hot gas.

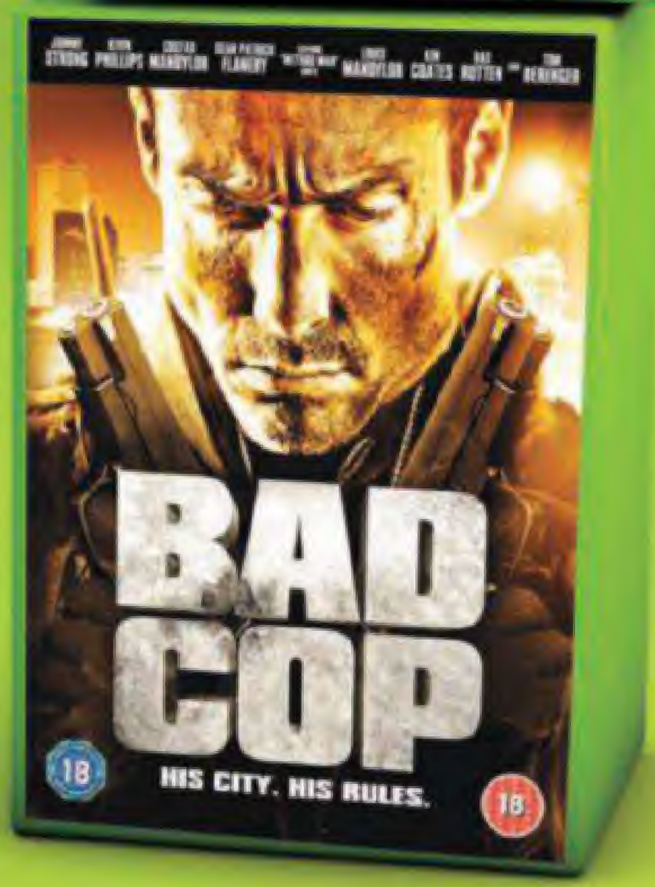

A big CME can contain a billion tons moving at many million miles per hour. This was just a tiddler, though. The sun's 11-year weather cycle won't peak until 2013. When Arsene Wenger will start using it as one of his post-match excuses...

Sun facts!

- **Made of hot plasma, our sun has a diameter 109 times that of Earth and weighs 330,000 times more. That's 99.86% of the mass of our entire solar system.**
- It generates energy by nuclear fusion. It fuses 620 million metric tons of hydrogen a second.
- **Formed about 4.57 billion years ago, it's halfway through its evolution. In five billion years, it will expand into a red giant star.**
- Some say it'll consume Earth, others that it'll push us away. Don't sweat it, though: the heat will evaporate all our water by then anyway!

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

DANNI ORSI, 100% REAL LESBIAN!

You might recognise Danni from hit TV show *Candy Bar Girls* on Channel 5

My ex lives up the street!

My old long-term girlfriend has moved onto our street and my current girlfriend is so incredibly jealous that she actually wants us to move house! I've not seen my ex in a while, but we were together for quite a long time and had a pretty close relationship. Unfortunately, things didn't work out. What should I do about this situation?

GLENN Portrush

It sounds to me like you may still have some feelings for your ex. Is this something you're likely to follow through on? If so, I think you should get on with it, because it sounds like trying to please your present girl could well be pointless – it probably can't be done. Alternatively, it may be that your current lady fancies your ex, but can't admit this to herself. Why don't you introduce them?

LETTER OF THE WEEK!

Her mum can't stand me!

My girlfriend's mum is always interfering and constantly telling her daughter I'm no good for her, which is nonsense. We've been together for years and have a wonderful relationship, but when her mum sticks her nose in it causes real problems. What should I do about her?

JAMES via email

Oh, dear. I'm not sure what her problem is – maybe the mum just wants to bed you? How do you feel about that? Maybe a good seeing to will make her lighten up a bit? Actually, on second thoughts, that's a terrible idea!

OCD is killing our sex life!

My OCD is driving my other half mad. It's ruining our sex life because I want it over quickly so I can tidy up the mess. Help!

DAVEY Aberdeen

You can be cured of OCD so go and see your GP. In the meantime, carry on as you are and clean up as normal. Then, if the problem persists, maybe hand your other half over to a mate. This way she gets what she needs and you can get on with the tidying up!

She won't stop swearing!

My new girlfriend is really hot but swears like a sailor. Last week, we were out for dinner with my parents and she kept it under control for a bit, but once she'd had a drink there was no stopping her. I've tried to talk to her but she gets really upset. Do you have any advice?

ROY Blackpool

Blimey! Is she suffering from Tourette's? There's probably some history to this, so do the decent thing, talk to her about it, then try to get her some help if it really is that bad. But I wouldn't worry unduly.

- If you've got something to ask Danni, just email her at **thelesbian@nutsmagazine.co.uk** or write to her at the usual address on p70.

A SAILOR goes to the ship's doctor with a badly scalded penis.

"How on earth did that happen?" the shocked doctor asks.

"It was the captain's fault," the sailor replies. "He's a right b*stard, always calling emergency drills when you least expect it. This happened when he made an unexpected turn to port."

"So how did that scald your penis?" the puzzled doctor inquires.

"Well," the sailor tells him, "I was dipping it in his cocoa at the time."

Burning ambition

AT ONE of the *Britain's Got Talent* auditions, Simon Cowell is running late, so the first contestant goes on without him.

"What are you going to do for us today?" asks David Walliams.

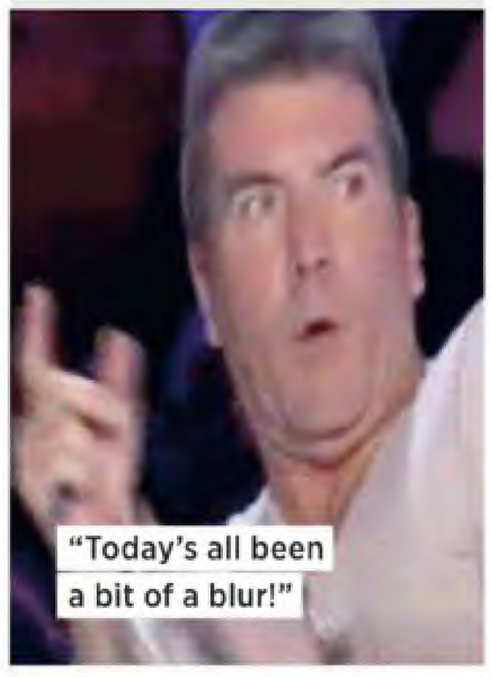

"I'm going to breathe fire out of my bottom," says the chap on the stage.

Unfortunately, the stunt goes horribly wrong, and the contestant is rushed backstage for some medical attention.

Simon Cowell arrives to a scene of chaos and asks what all the fuss is about.

"We've got a big problem with a badly burned arsehole backstage," says Walliams.

"Oh," replies Cowell, thoughtfully. "But I thought Piers Morgan was in LA?"

"Erm, I really love Fleetwood Mac," replies the bloke, saying the first famous band that comes into his head.

"Rumours?" asks the colleague.

"No!" replies the new bloke. "It's the truth!"

Nuts NEXT TOP MODEL!

ONLY IN Nuts!

Introducing the hottest new models – in their first ever *Nuts* shoot!

Jay

Meet the naughty 30DD Nottingham newbie!

Hi Jay! How's it feel to be shooting for *Nuts*?
I was nervous, but once I whipped off my dressing gown, it was like, "Bam! Let's do it!" The builders working next door got an eyeful!

Who are your fave *Nuts* babes?
Ooh, that's a toughie! I love Lucy Pinder's amazing body and fabulous boobs – I bet she's very, very naughty. But my new fave is Arabella Drummond who is just awesome. Her tattoos are mind-blowing and she's such a lovely person. Serious girl crush.

If you could do your own dream shoot, what would be involved?
Arabella, Jessica-Jane Clement and myself. The shoot would be all three of us in a casino in Vegas. We'd be sitting round the poker table while the gamblers look on, with only a few playing cards to cover up.

How would you describe yourself?
Sophisticated, but fun. I can be a lady and be well behaved, but once the weekend comes, I love to show off my ink.

What are you like on a night out?
When I'm out with my girls, we really enjoy ourselves. Dancing on tables, spinning round poles, daring each other to do cheeky things, and we don't stop dancing until the lights come on. I'd love for someone to video us, like *The Hangover*. That would be fun.

What's the rudest fact about you?
I have a tongue piercing. It comes in handy for the boys... and for the girls.

RUSSELL KANE

Russell Kane

The madcap, big-haired comedian on bottoms, buckets, books and his two brand-new TV shows!

Hi, Russell. You're hosting a new show, *Britain Unzipped*, which investigates what the British public get up to behind closed doors.

Sounds a bit pervy to us! Is it?
It is! British people are pervy, nosey and sneaky. We love sneaking around learning things about people and pretending we don't. It's the ultimate curtain twitch. Behind those curtains, we find sexual, emotional and moral statistics. Would you punch your boss? Would you eat food that's been on the floor? How much to have your little toe chopped off? How does wealth really affect number of sexual partners? These are the sorts of questions we'll been asking.

These questions sound like they're straight out of the *Nuts* Question Bucket! Are you sure you haven't stolen our idea?
It does sound like it, doesn't it? But rather than relying on a bright red plastic bucket, we've actually got some geeks to crunch statistics based on thousands and thousands of answers from all around the country. I can tell you that a Scot is 15 per cent more likely to have a threesome than someone in England. Also there's a 51 per cent chance that a man from Essex has done a mangina impression in public!

Yes, but as Homer Simpson once said, "People can come up with statistics to prove anything. Fourteen per cent of people know that."
Well, we've got a full-time nerd on board, so nothing is made up. He can cross-reference stuff so if we want to talk about, say, drunken arguments, I can talk to a couple who always have drunken arguments live in the studio, maybe go to a house where there are always drunken arguments and set them a challenge. There's another section called Beat The Stat. The loneliest single men are in East Anglia, that's a statistical fact. So I might go to East Anglia to find a house-full of single men and try to turn them into less sad cases.

The *BGT* stealth bumming act was under way

You're also going to host another show, *Live At The Electric*. What's that all about then?
That's much more me doing what I normally do. I'm the compere at this cool location called The Electric and the other comedians do sketches or character stuff.

What happens if both your programmes are on telly at the same time? Which will you watch and which will you Sky+?
I never watch myself doing stand-up, so I doubt I'll be watching *Live At The Electric*. I've got a phobia about watching myself on stage.

Eh? If you don't like watching yourself when you perform live, how can you expect other people to like it?
Well, I like sex but that doesn't mean I want to stick my willy in my own bum!

Er... quite. Moving on, thanks very much for joining us for our *Nuts* Celebrity Review Of The Year at Christmas, by the way. Have you managed to use up all the girly make-up we gave you yet?
God, yeah. I'm really into my feminine beauty products. Girls love a man who's gay but who isn't actually gay. So when you're bored, guys, put things up your bum.

We hear you're writing a novel too. Are you a bit of a secret clever clogs?
I've been writing it for three years. I'd like to think the language is simple and lucid and clear so you can gaze through it like looking at a pebble at the bottom of a pond. The thoughts might be clever clogs but the language is simple.

Thanks, Russell. Before we go, can we try out some of the questions you just mentioned you'd be tackling on *Britain's Unzipped*, but on you?
OK.

Would you eat food that's been on the floor?
Yes. I only just did it for lunch. It fell on the floor right where the cats play.

How much to have your little toe chopped off?
Five million quid. I wouldn't be able to do my stand-up act any more, which involves pirouetting around, so I'd need money I can retire on.

And does wealth and, in your case, fame affect the number of sexual partners you get?
Fame and wealth definitely affect your number of sexual partners. You can be a f**king skinny nerd with no pecs and girly arms like me, but crack a few jokes, and it's minge city!

● *Britain Unzipped* starts on BBC Three on 24 April. *Live From The Electric* starts on BBC Three in May. Russell's novel, *The Humorist*, is out 26 April

BONKERS BUILDINGS!

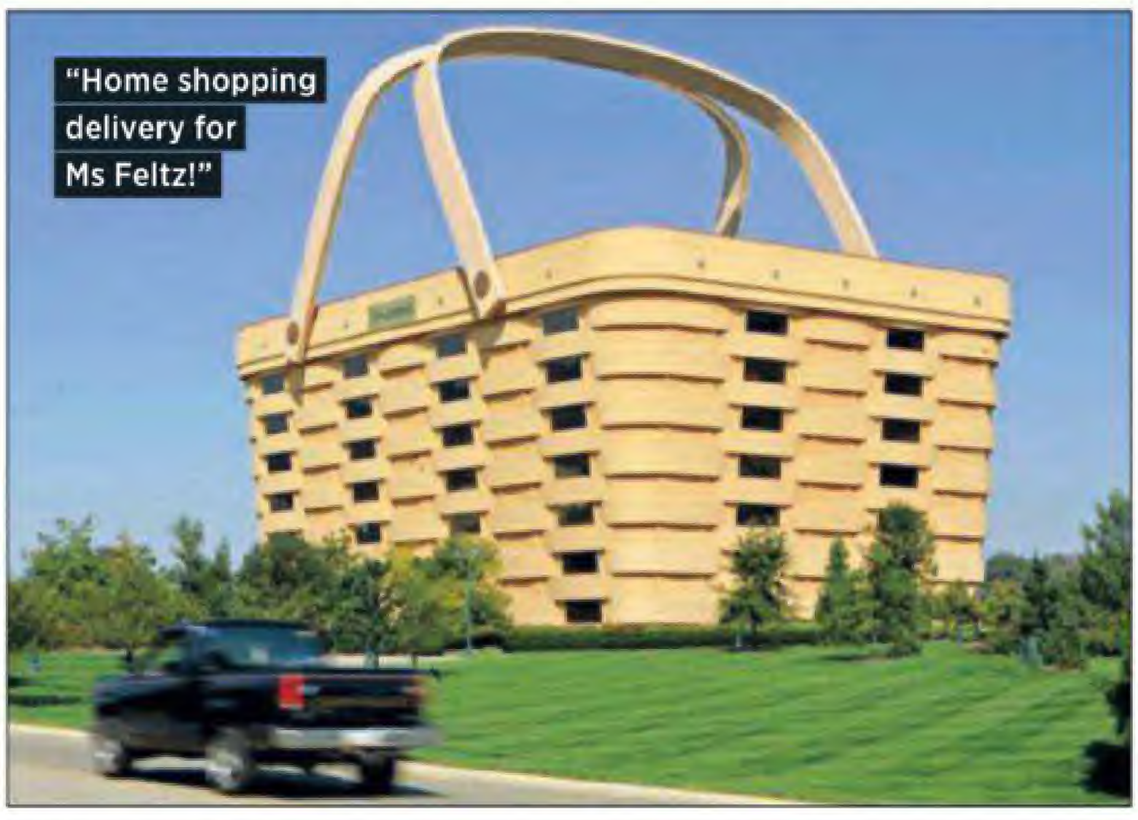

When architects go barmy... say hello to some of the world's maddest monuments!

GRAND DESIGNS!
We've all heard the term "ivory towers" before, right? Well we're dubbing this musical masterpiece in China "ivory *and* ebony towers!"

BARREL OF LAUGHS!
It looks impressive, but let's hope the bogs in this barmy barrel-shaped restaurant in Japan aren't situated at the tap end!

BASKET BASE!
You may not be surprised to learn that the company that occupy this building in Ohio manufacture, er, wooden baskets!

TOPSY-TURVY CHURCH!
Have some pesky devil-worshippers taken the whole "upside down cross" thing to a new level with this Canadian building?

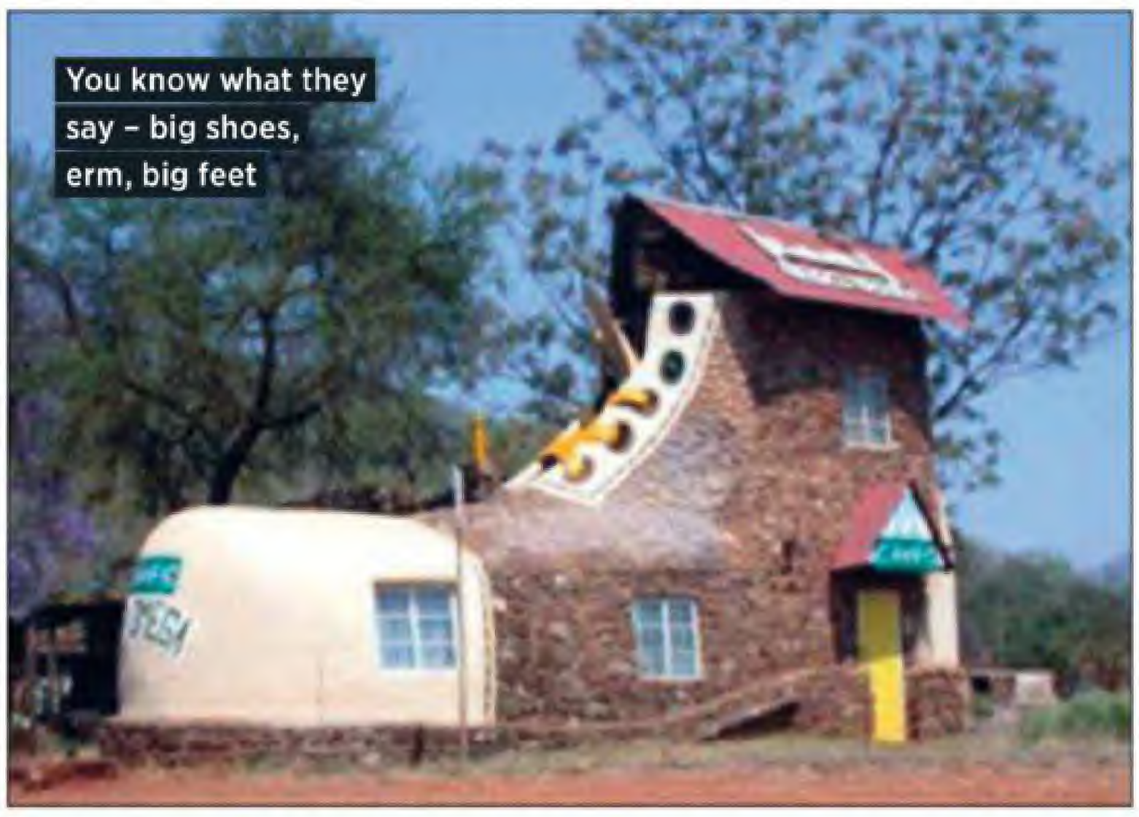

WORDS: SI CUNNINGHAM ILLUSTRATION: MARK WATKINSON

SILLY STRAWBERRY!
The Japanese must love their strawberries – why else would they build this outrageous shrine to the juicy fruit in Tokyo?

MAMMOTH HOUSE!
Unbelievably, this New Jersey structure was built in 1882 to attract tourists. You'd certainly never forget visiting!

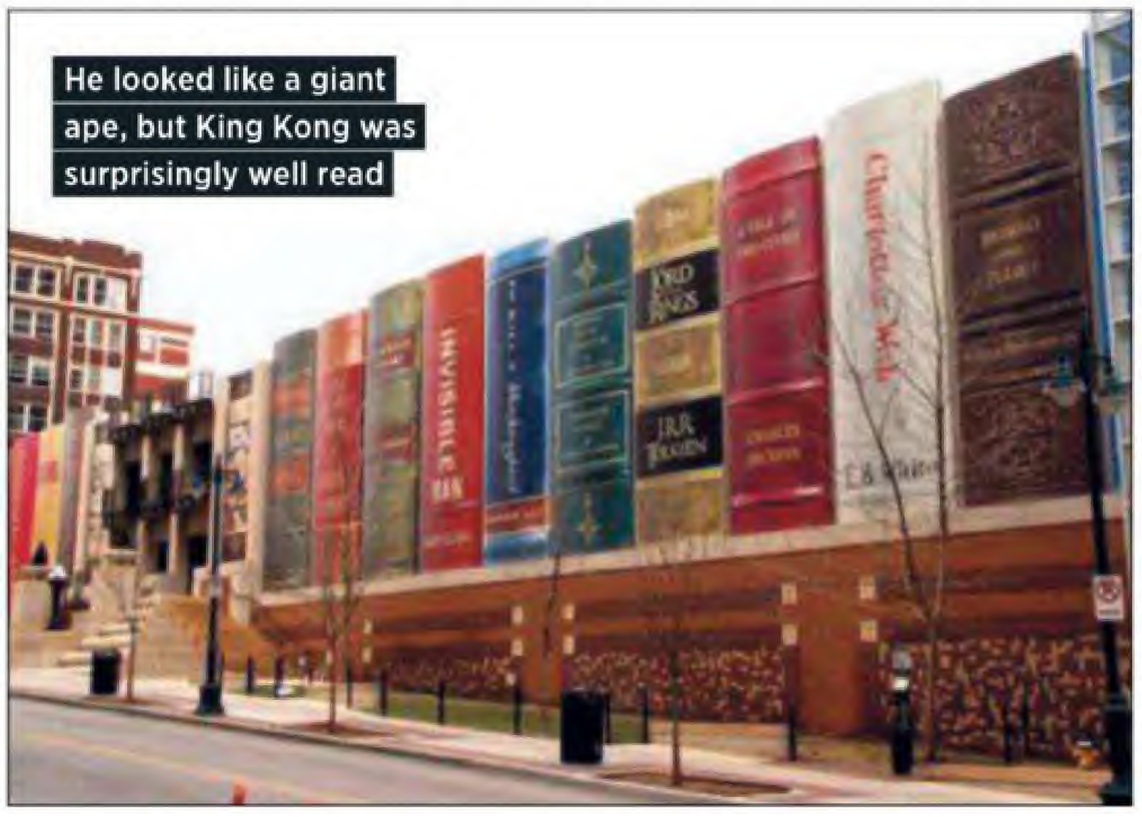

SHOE LIVES HERE?
The people who live in this South African abode must be fed up to the back teeth of getting letters addressed to "The Old Woman".

FAULTY TOWERS!
Believe it or not, this crazy crib is a hotel in Slovakia. We assume that over there "B&B" must stand for "bonkers and barmy"!

DUCK HOUSE!
No, it's not the episode of *Through The Keyhole* where they went to Bill Oddie's house – it's a shop in New York state.

NOVEL ARCHITECTURE!
How awesome is this public library? Kansas City, take a bow! Although we dread to think what your public toilets look like!

LUCY

"I try to hide my boobs in a bra, but they keep escaping!"

Lucy Collett

Hi Lucy! How are you enjoying the big boobs today?
It's been lovely, thank you. I've been admiring Leah's boobs because they're huge! Everyone here has amazing boobs, though.

Who's your favourite?
Danielle's so cute. She's got an adorable face and fringe, but then this amazing womanly body and such nice boobs.

What's an average day like for your boobs?
They wake up fresh and perky, then they get moisturised. If I'm not shooting, I try to hide them in a bra, but they always find a way of escaping! At night I let them loose again and give them a kiss goodnight.

Do your boobs have a nickname?
They don't! Can the readers tweet me some suggestions? I just call them my puppies.

On holiday, do you go topless?
All the time! You can't have tan lines. If people start ogling your boobs the best thing to do is point and stare at them – Lacey Banghard taught me that when we were in Ibiza.

Have your boobs been recognised in pubic?
I get recognised at gigs and people ask to have pictures taken with me. It's not just men. I get hundreds of girls saying that they love to see a curvy lady with big boobs.

What look should we be rocking this summer?
I like a checked shirt on a guy with just a vest underneath. Maybe if it's hot, some nice tailored shorts, too! Flip-flops are cool, but never with socks!

Thanks, Lucy! Finally, what's your biggest turn-off?
Smelly feet! I would genuinely run away from someone whose feet smelled. ▶

“Girls are always asking me to assess their breasts!”

Leah Francis

Hi Leah! What are you making of all the boobs today?
It's brilliant! I'm very, very impressed and overwhelmed by all the boobs. It's been like Christmas day, a surprise with every new pair!

How many boobs have you seen over the years?
Millions, I reckon. Even when I'm not on photo shoots, girls are always coming up to me in clubs and asking me to assess their breasts. It's a great deal of responsibility – everyone's boobs are special.

Who has the world's best boobs?
Sammy Braddy. I love her boobs. Last time I shot with her, I dived in! Normally you should ask before touching, but they were just too fabulous.

Do your boobs have a nickname?
I used to call them AK47s because my nipples were always so erect! When I'm drunk, I come up with really good nicknames for my boobs. I like calling them my wangers.

What was the last really outrageous thing you did?
I just got back from Thailand, which is the playground of dangerous behaviour. There were monkeys, weddings, drunk people getting tattoos – it was like *The Hangover Part II*!

And did your boobs make an appearance?
Yeah! Actually, I was trying to have sex in the sea one night, and I kept getting badly stung on my thigh. I thought it was jellyfish but it was these weird sea plankton. It hasn't quite put me off sea sex, though!

Thanks, Leah! Finally, what are your plans for the summer?
I'm going to Brazil. The men wear budgie-smugglers and the women have massive bums and boobs. I'll fit in out there and it'll be really sexy! ▶

Stacey Poole

Hi Stacey! Do you ever have trouble containing such big boobs?
I'm always having to squeeze them in whenever I go out into town. Occasionally they'll pop out – but only in the taxi home.

Blimey! How have you enjoyed today's shoot?
It's been great. I haven't shot with Leah or Danielle before. I've been getting top tips from Leah – basically it's all about squeezing your boobs and keeping them in the camera.

Will we ever be bored of boobs?
Never! Until humans start being born without boobs, they'll always provide the world with pleasure.

Do you go topless on holiday?
Yeah, I can't stand straplines. As soon as I get off the plane, my top is off and my inhibitions are out of the window!

Which famous person's boobs would you like to see?
Katy Perry, maybe. There are so many hot, famous girls who would never get their boobs out, so anyone like that would be a total bonus.

What's a good look for chaps this summer?
Invest in more vests – that rhyme was unintentional. Ha-ha! The less clothing on a bloke, the better. So vests, board shorts, nice flip-flops. Really simple is best.

What about tattoos on a bloke?
It has to be all or nothing and they have to mean something. Random tattoos are rubbish, but a full sleeve is really sexy.

Thanks, Stacey! Finally, do you have any hidden boob talents?
None that spring to mind – but I like that Lucy said she can kiss hers! Maybe we can have a TV show called *Britain's Boobs Have Got Talent*! ▶

BIG BOOBS!

"I forget all the time that I have my boobs out!"

storemags.com

Danielle Sharp

Hi Danielle! Are you enjoying the shoot today?
Hello! It's been so much fun and very cheeky. I love *Nuts*' shoots so much, especially when there are a few girls because everyone has such a laugh and no one's shy about getting their boobs out.

Who has been the cheekiest?
Lucy's such a fun personality to be around. She has amazing boobs and had us all do a cheeky flash at one point.

Do you ever forget that you have your boobs out?
Ha-ha! Yeah, all the time. I know a lot of girls who've just answered the door with their dressing gown open.

What about on holiday – are the boobs out straight away?
Of course! Any girl will tell you that tanlines are our number one nightmare, so we don't have a choice but to get down and have a nude sunbathe!

If you could do any dream boob shoot, what would it involve?
It would be nice to do one on a beach. It would definitely involve Lucy Pinder because she's the queen of boobs.

Do your boobs have nicknames?
I used to give them nicknames, but guys think we all have names for them. It's not like they're born with names!

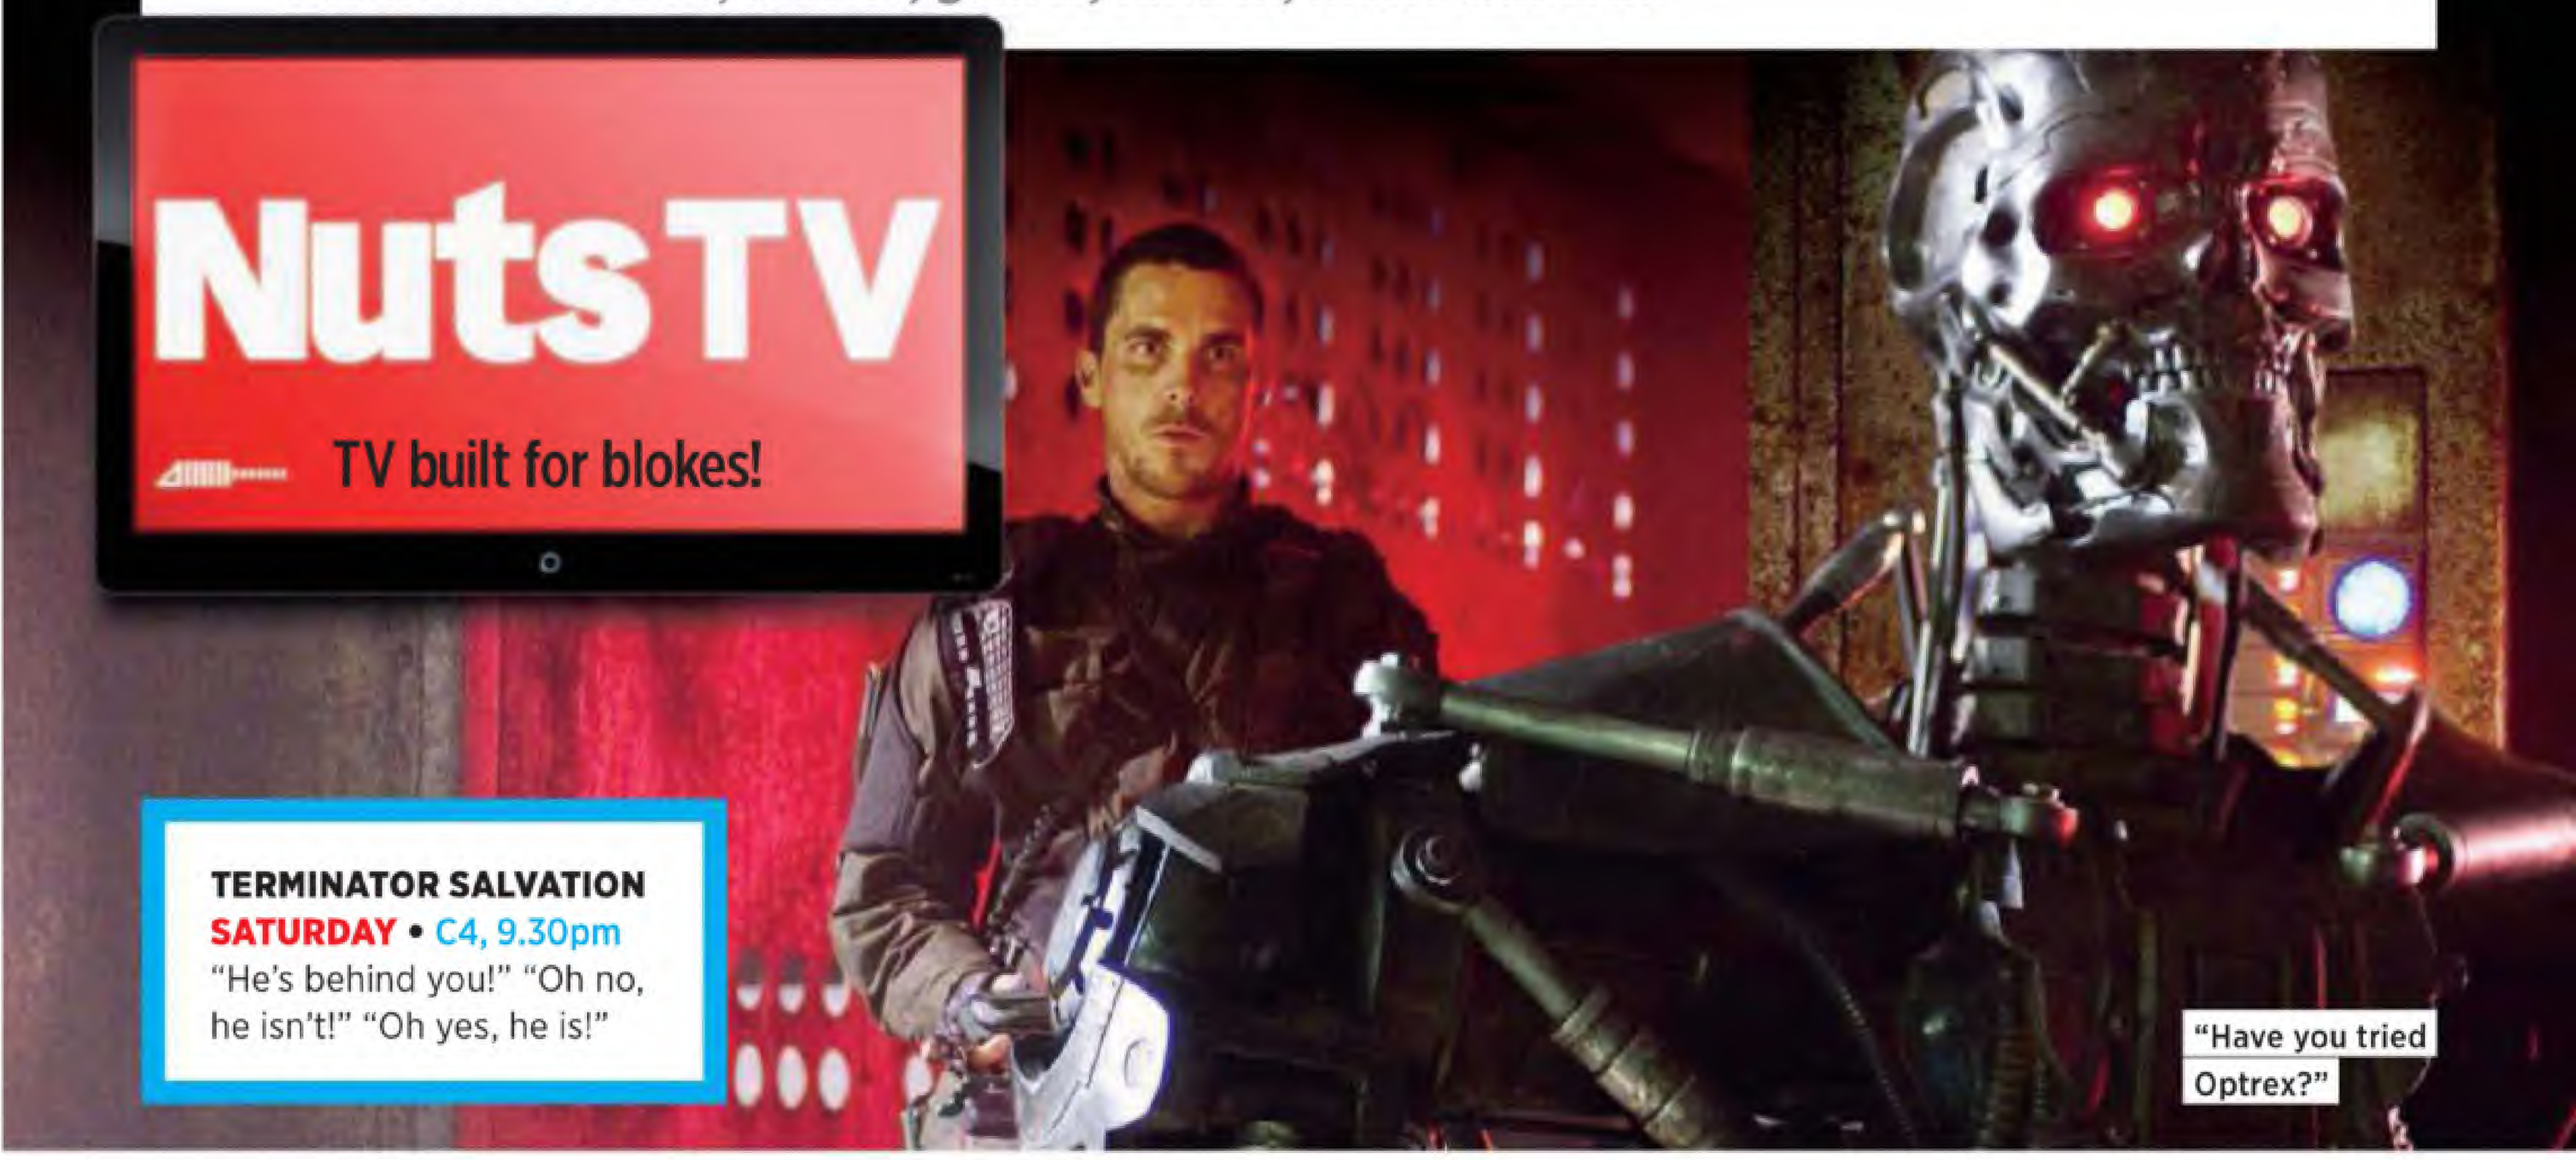

Thanks, Danielle! Finally, what's so good about Brit boobs?
We have the best ones in the world and we're not afraid to get them out. In other countries, they're either really shy or really porny. We're just a nice balance of cheeky and sexy – like *Nuts*!

The Voice

BBC ONE • 7pm

It's time for the live rounds of *The Voice* where the coaches pit their acts against one another. So, like with pugil sticks then? That would be ace! Alas, they'll probably just have a sing-off and annoying Jessie J will continue to sing her sentences instead of talk like normal people do. It's rubbish, but we can't help watching.

★★★

Terminator Salvation

CHANNEL 4/HD • 9.30pm

This action-fest got mixed reactions, but we flippin' loved it! Christian Bale is John Connor, leader of the resistance in a future ruled by machines. But then a mysterious stranger (Sam Worthington, who steals the show) appears. Terrific entertainment.

★★★★★

Underworld: Evolution

CHANNEL 4/HD • 11.45pm

The second batch of nonsense starring Kate Beckinsale as a foxy vampire in pleasing tight outfits. This time, she and werewolf chum Michael try to trace the origins of the ancient feud between Death Dealers and Lycans. Yeah, it's that storyline again.

★★★

BETTING SLIP

PUNT OF THE WEEK!

NORWICH VS LIVERPOOL

ESPN • 4.30pm

Stuck in league no-man's land and with the FA Cup final looming, 'Pool will surely rest players. Go for Norwich to win by a couple with Grant Holt bagging one.

Sunday 29 April

Chelsea vs QPR

SKY SPORTS 1/HD • 1pm

Another Sunday, another gigantic match for teams at opposite ends of the Premier League table. QPR are struggling free of the relegation mire, while Chelsea are still hoping for a Champions League spot. Oh, and there's the small matter of John Terry and Anton Ferdinand meeting up again. Should be fun.

★★★★★

Homeland

CHANNEL 4/HD • 9pm

After the explosion which knocked her out in D.C, Carrie's in hospital. As she's been off her meds, she's gone bat-sh*t crazy, but Saul seems to see some sense in her madness and might just be on to something. Meanwhile, Brody scores his vest, and we're not talking the "wife beater" style. This one goes boom...

★★★★★

Braquo

FX/HD • 10pm

We wouldn't ordinarily recommend a French subtitled cop drama, but this one is too good to miss. The first season saw the dodgy Parisian cops trying to clear the name of their superior who topped himself. In series two, some have lost their badges, others have been demoted, and there's a killer on the loose in Paris...

★★★★

SOFA AMMO

THE BANK JOB

CHANNEL 4 • 10.05pm

This film is based on a 1971 bank heist. In real life, MI5 slapped a press gagging order on the case sparking rumours that intimate pics of a member of the Royal Family were in the swag.

Monday 30 April

Man City vs Man United

SKY SPORTS 1/HD • 7pm

A few weeks ago, this was being billed as the title decider, then Man City virtually handed United the trophy on a plate. The title race is still technically alive, but we just can't see United returning the favour to City. This should still be feisty, though.

★★★★★

Bad Teacher

SKY MOVIES PREMIERE/HD • 8pm

Cameron Diaz is the aforementioned teacher, permanently hungover in class and thoroughly disinterested in her job. When handsome substitute teacher Justin Timberlake arrives in her world, she decides she must have him – which means somehow raising the money to buy herself augmented new boobs. A cracking little comedy.

★★★★

Game Of Thrones

SKY ATLANTIC/HD • 9pm

The Lannisters are searching high and low for Ned Stark's daughter Arya to use as a bargaining chip of sorts, but she's taken to chopping off her hair and pretending she's a boy to avoid capture. Meanwhile, the men of the Night's Watch come face-to-face with an ancient enemy that just might scare the bejesus out of them.

★★★★

ONE WITH THE MISSUS!

HART OF DIXIE

REALLY • 8pm

The single redeeming quality of this prissy female-only drama about a lady doctor in a hick town is this – the gorgeous Rachel Bilson.

Tuesday 1 May

● New issue on sale today!

Friday Night Lights

SKY ATLANTIC/HD • 8pm

The all-American sport drama continues. Paralysed Jason Street is getting annoyed with his todger, because while in bed with the impossibly hot Lyla, it won't work. Meanwhile, Landry becomes Riggins' tutor when his academic work suffers.

★★★★★

CSI: Crime Scene Investigation

CHANNEL 5/HD • 9pm

More preposterous ways to kill people. Tonight, a dead bloke is discovered face down in a cake, trousers round his ankles in comedy pants. Looks like he choked on his teeth when they were knocked down his throat using a bowling ball. See?

★★★★

The Matt Lucas Awards

BBC ONE/HD • 10.35pm

We're glad to have Matt back on our screens, even if it's not in *Little Britain*. Still, he makes us chortle giving away pointless awards like Underwhelming Event Of The Year (National Stalker Day?). Johnny Vegas is one of his guests tonight. Ace!

★★★

GAG OF THE WEEK!

HIT THE ROAD JACK

CHANNEL 4/HD • 10.35pm

"Every region has a stereotype. Glasgow's is being tough, the West Country being gullible and Liverpool has one it probably stole!"

Wednesday 2 May

Bolton vs Spurs

SKY SPORTS 1/HD • 7.30pm

All the action from a crucial Premier League encounter for both sides at the Reebok Stadium. The Trotters are in a brutal battle against relegation, while Spurs are just as much in need of three points as they aim to claim a Champions League place for the second time in the last three seasons. Should be good!

★★★★

The Apprentice

BBC1/HD • 9pm

Lord Beardy takes the remaining bungling contestants to a warehouse in Essex. But, instead of simply locking them in and setting it on fire, he gives each team £150 to buy wholesale goods, from mops to MP3 players, which they then try to flog and reinvest in the most profitable items. Or at least that's the theory.

★★★★

The Killing

CHANNEL 4/HD • 10pm

It's the second series of the US version of the Swedish drama which, despite a decent first series, ended weakly. After all, the whole of the first series asked, "Who killed Rosie Larsen?" but by the end we still didn't know. Detective Linden believed the case had been solved, but as she discovers here, it's far from over.

★★★

House

SKY 1/HD • 10pm

Hugh Laurie directs this episode of the medical drama, which finds smart alec House taking a bromantic holiday with Wilson. You can't help but feel for Wilson – if House is your best friend, you don't need enemies. Elsewhere, the rest of the team try to cure a six-year old whose mother's care may be killing her. D'oh!

★★★★

Food

"I love Asian food, especially an authentic **THAI GREEN CURRY**. You can't beat it with a bit of pad thai on the side."

"I'm a life-long Gooner. Liam Brady was my hero, but then Thierry Henry became an **ARSENAL** legend and reinvented the concept. That guy's godly."

Car

"I love my restored **VW CAMPERVAN**. It's old and the acceleration is hopeless but it's endearing – it reminds me of myself."

Holiday destination

"Skiing in Mayrhofen, **AUSTRIA** is great. I like the physical aspect of it. What's more, I can drag my kids along and they won't moan too much about it."

Drink

"Cider is my tipple, but it has to be proper **SCRUMPY CIDER**, none of that mass-produced garbage. It has to knock your socks off."

LADIES CONFESS!

TO OUR SECRETARY!

Racy revelations from our female readers!

CONFESSION OF THE WEEK!

'She had me in the back row'

A SEXY girl at work invited me to the cinema one night. I knew she was into women and, being curious myself, I couldn't wait to see what happened during our evening together. I sat with her at the back and after a while, I turned to find her staring at my breasts. She moved her hand across my thigh and I could feel myself getting wet. In no time, she was stroking my knickers, so I pulled them to the side, she pushed her fingers inside me and soon I was coming. We raced out so I could return the favour at her place.

Christina Nottingham

'Our naughty time in a lift'

MY BOYFRIEND had been staying with his friend while he hunted for a new flat. It wasn't the most ideal place and his friend lived on the tenth floor. As we got in the old lift, it rattled a bit and then didn't move. We pressed the help button and after a while, a voice came on and said he'd be there in half an hour. My chap raised his eyebrows, gave me a cheeky look and said, "What shall we do to pass the time?" We started kissing and I felt his erection pushing into my groin. He pulled up my skirt, sank to his knees and gave me oral sex. I was really horny and groaned loudly, my voice echoing round the four walls. I begged him to enter me and soon I had my legs around him while he rocked me up and down on his stiff manhood. I hope the old bloke who manned the phone wasn't watching us on a camera!

'We had sex in the gardens'

I HAD been seeing a bloke for a few weeks and we loved having sex anywhere and everywhere. We went to visit one of his relatives in a plush apartment block one afternoon and, on the way out, he showed me round the huge gardens at the back. He suddenly pulled me towards him and kissed me. He has amazing lips, so I soon started to feel really horny and forgot where I was. His hand went up my top and he pulled my breast from my bra with one hand and started sucking my nipple. I rubbed his now-hard c*ck as he put two fingers inside me. It felt so naughty. He then pointed to a big tree, told me to bend over and pull my knickers to one side. He quickly whipped on a condom and there we were having sex outside. How naughty!

'My fun ride with *Nuts*'

I CAUGHT the train home one afternoon recently and it was completely empty. I noticed there were a few newspapers strewn around and a copy of *Nuts* magazine on one of the seats. I started having a read of *Nuts* and flicked through until I got to the Ladies Confess section. I couldn't believe how horny and flushed the stories were making me as I read them. I was wriggling in my seat and, before I knew it, I had my hand down my knickers – I just couldn't help myself! I was getting really carried away and almost reaching the point of no return when I suddenly realised that they must have cameras in the carriage and I could be being watched. By that point, though, I didn't care and I climaxed in my seat!

10 RUDE QUESTIONS!

And a real girl to answer them!

Ashley

20 **Mansfield**

1 Where's the strangest place you've had sex?
"Most recently, it was in a restaurant at a wedding reception. The waiter got quite an eyeful when he walked in on us!"

2 What's your trademark move in the bedroom?
"Other than being totally unstoppable on top, I can get my legs fully behind my head!"

3 What really turns you on?
"Good, long kisses."

4 What's your favourite position?
"I love going cowgirl, but my fave is sitting on something like a washing machine!"

5 Is it better to give or receive?
"To give, for sure. Nothing gets me going more than knowing I'm driving a guy wild!"

6 What one thing would you really like to try but haven't yet?
"Hmm, I've tried just about everything you can think of, so I'm always open to new suggestions!"

7 Have you ever got it on with another girl?
"Ha-ha! Yes, several girls, in fact. I'm a fan of the ladies."

8 What's your role-play costume of choice?
"I've got too many to pick from! Generally, I let the guy decide. As long as he's happy, I'm happy."

9 Have you ever made a sex tape?
"Yes, a few. They've all been taken on my webcam, though, so they'll never fall into the wrong hands!"

10 What's the rudest thing you've done?
"I'm afraid that's far too X-rated to disclose!"

"I can get my legs fully behind my head!"

Nuts SPORT

MANCINI VS FERGIE

"Since the pressure has been off, City have been fantastic, but they have to show some bottle when it counts. Roberto Mancini will instruct his players to go for the jugular. They must win!"

"Fergie will tell United to play the same way as they did in the FA Cup – using the 4-5-1 formation, sitting back and counter-attacking. It'll be like a Champions League game!"

Man City vs Man Utd special!

Nuts legend Merse on the big title showdown!

MAN UNITED travel to the Etihad on Monday for the biggest match of the season. Can the Reds seal their 20th league crown or will City keep the title race alive? Two-time league winner Paul Merson looks at the key battles!

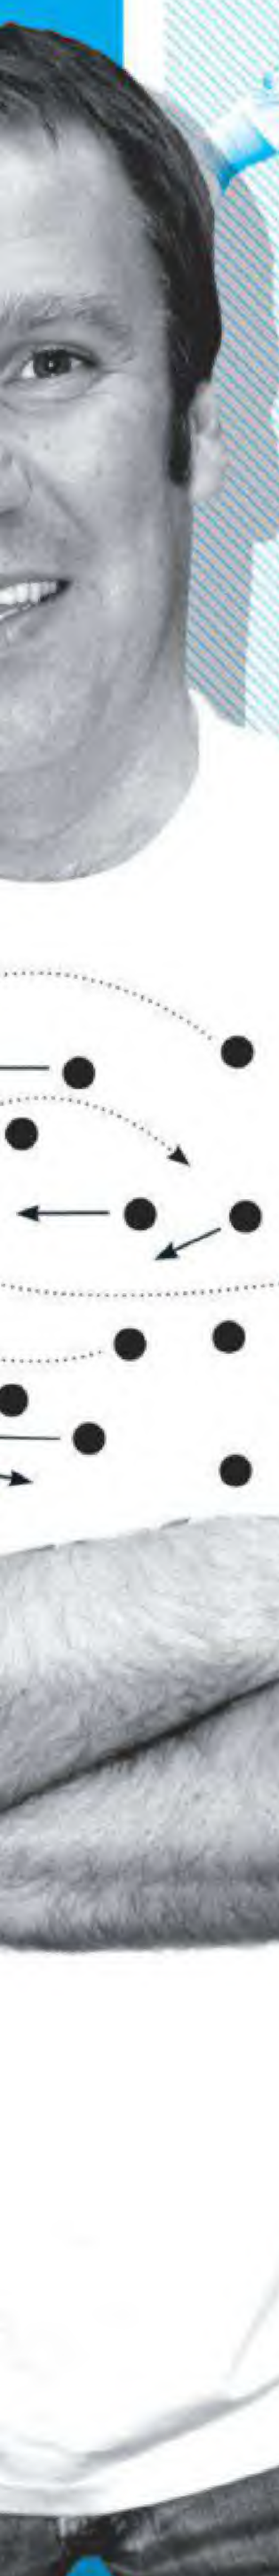

BARRY VS ROONEY

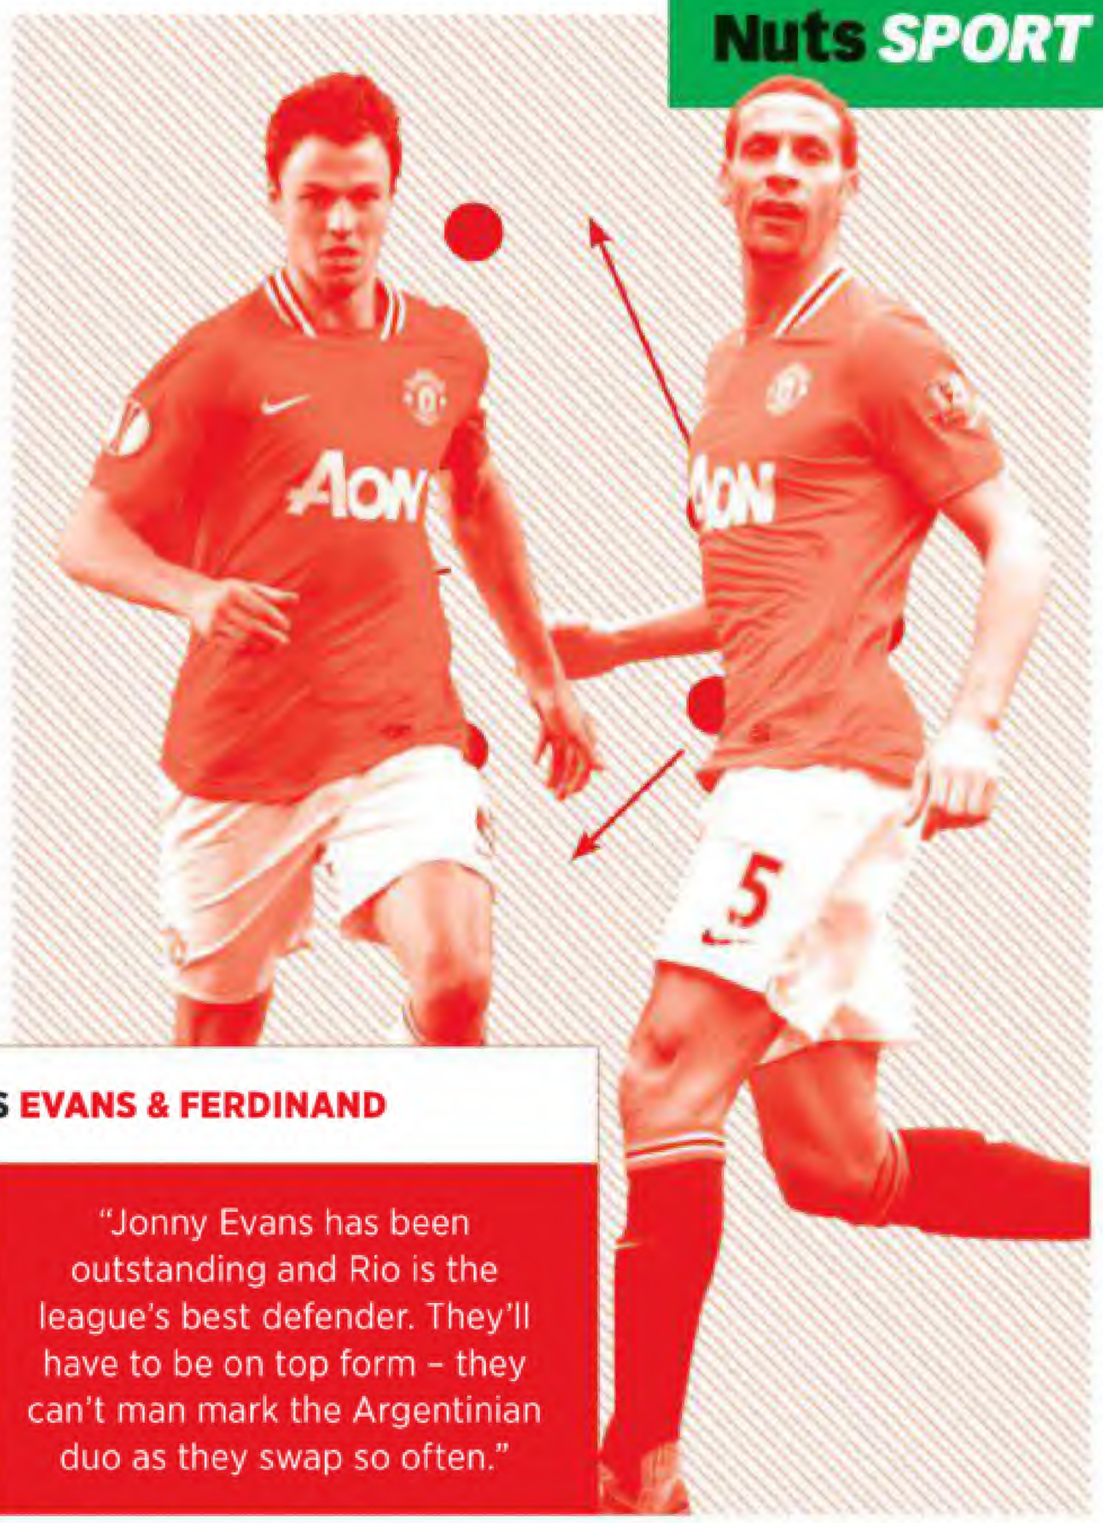

"Gareth Barry will have a key role – he'll be responsible for picking up Wayne Rooney when the striker drops into little pockets in front of City's back four. He can't switch off!"

"Wayne Rooney will probably play in behind Danny Welbeck and will drop into midfield when Man United don't have the ball. If Barry doesn't do his job, Rooney will control the game."

INTERVIEW: TIM BURNETT PHOTOS: ACTION IMAGES

TEVEZ & AGUERO VS EVANS & FERDINAND

"Tevez and Aguero are the best striking duo in world football. They can both drop off and also play on the defender's shoulder. Their unpredictability makes them unplayable at times."

"Jonny Evans has been outstanding and Rio is the league's best defender. They'll have to be on top form – they can't man mark the Argentinian duo as they swap so often."

TOURE VS CARRICK

"Yaya Toure hasn't been the same player since January – he looks tired. Before then, he was a box-to-box man and carried a real goal threat. His battle with Michael Carrick could be key."

"Carrick will be responsible for tracking Toure as Scholes hasn't the legs for the job. His role will be to hit United's wingers with diagonal passes, stretching the Sky Blues' back four."

Merse's big match verdict

City may as well be beaten by three or four as draw, so they have to go for it. I fancy City for the win but I still think United will pick up the title.

Prediction: 3-1

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"I love your hair! What's your secret?"

"Ooh, missus! What a big trophy!"

Reading for Europe!

THE CHAMPAGNE corks haven't even been cleared up from their promotion party, but I see Reading's new owners are already targeting European qualification next season. Brian McDermott has done an incredible job at the Madejski Stadium and will no doubt be backed with some serious transfer funds for their Premier League campaign, but he should be careful – just look at QPR, who have spent a lot of money and are really struggling. Reading must keep the nucleus of their team together and add one or two, just like Swansea and Norwich. Don't go throwing money around just for the hell of it!

Di Matteo has done enough!

Abramovich must back the Italian and give him the job!

YOU HAVE to say, no matter what happens in the Champions League or the FA Cup, Roberto Di Matteo has done a terrific job at Stamford Bridge. He has got the dressing room on side, got the big players performing on the European stage again and cleared up the mess after AVB was sent packing.

Roman Abramovich should come out and hand Roberto the job full-time, give him at least two years to rebuild the squad and back him publicly. Of course, the Russian is waiting to see what happens– if the Italian fails to pick up a trophy, it'll be back to the drawing board and a new man will have to start all over again!

From what we've seen Roberto could do a top job at the Bridge, but no matter what happens, the Italian won't have trouble getting another job. He's done his up-and-coming reputation absolutely no harm at all.

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

HUDSON'S HOWITZER!

Cardiff's Mark Hudson scored a 70-yard wonder goal last week, better even than Beckham's against Wimbledon. Who knew he had it in him?

UNBELIEVABLY BAD!

WAYNE'S WORRY!

Wolves' Wayne Hennessey is out for six months with a torn cruciate knee ligament. The poor guy has no chance of making the Olympic team now.

THE BIG MATCH!

They were finally getting the hang of the can-can

Wigan vs Newcastle

28 APRIL, 3PM

This should be an absolute cracker! Both teams have been in great form and are still desperately fighting for every point, Newcastle for a European place and Wigan for survival. I expect goals, plenty of open, attractive football and the match to finish in a draw.

KAMMY'S PREDICTION: 2-2

Key man

Captain fantastic Gary Caldwell has been a rock at the back for Wigan. He is a great leader and one reason the Latics have done so well recently.

Wilshere will be back!

ARSENAL'S JACK Wilshere will miss the Euros, but he shouldn't worry – his time will come. Jack's the new breed coming though, moulded in the Barca style and told to cherish the ball. England should be OK without him this summer, but the young star will have a big part to play in Brazil in 2014!

Fixing the new giant badge to the shirts was going to be tricky

Fifa's new helium-filled ball really took off

Turkish trouble for Bebe!

FERGIE WON'T be happy! His £7.5m signing Bebe, who is on loan at Besiktas, has been banished to the reserves after partying all night! Is the Brazilian a hoax someone's played on the United manager? He's never even looked like a player. Is it too late to get your cash back, Sir Alex?

Nuts Ashley Young dive-o-meter!

We rate football's diving divas!

THE PREMIER League has seen some despicable dives over recent weeks. From Gareth Bale to Andy Carroll, some of the biggest names in football have performed tumbles an Olympic gymnast would be proud of. *Nuts* has decided to rate the latest false falls using our highly complex Ashley Young dive-o-meter!

WORDS: TIM BURNETT PHOTOS: ACTION IMAGES, GETTY, COLORSPORT, SHUTTERSTOCK

"Hello, gravity, my old friend!"

ASHLEY YOUNG VS QPR

The Man United flyer fell after QPR's Shaun Derry breathed on him. To make it worse, the dastardly diver was clearly offside! Rooney's pen helped the Reds win 2-0!

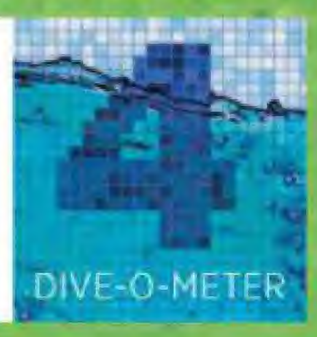

"No, my foot's stuck to the ground!"

"Watch out! There's a sniper..."

GARETH BALE VS ARSENAL

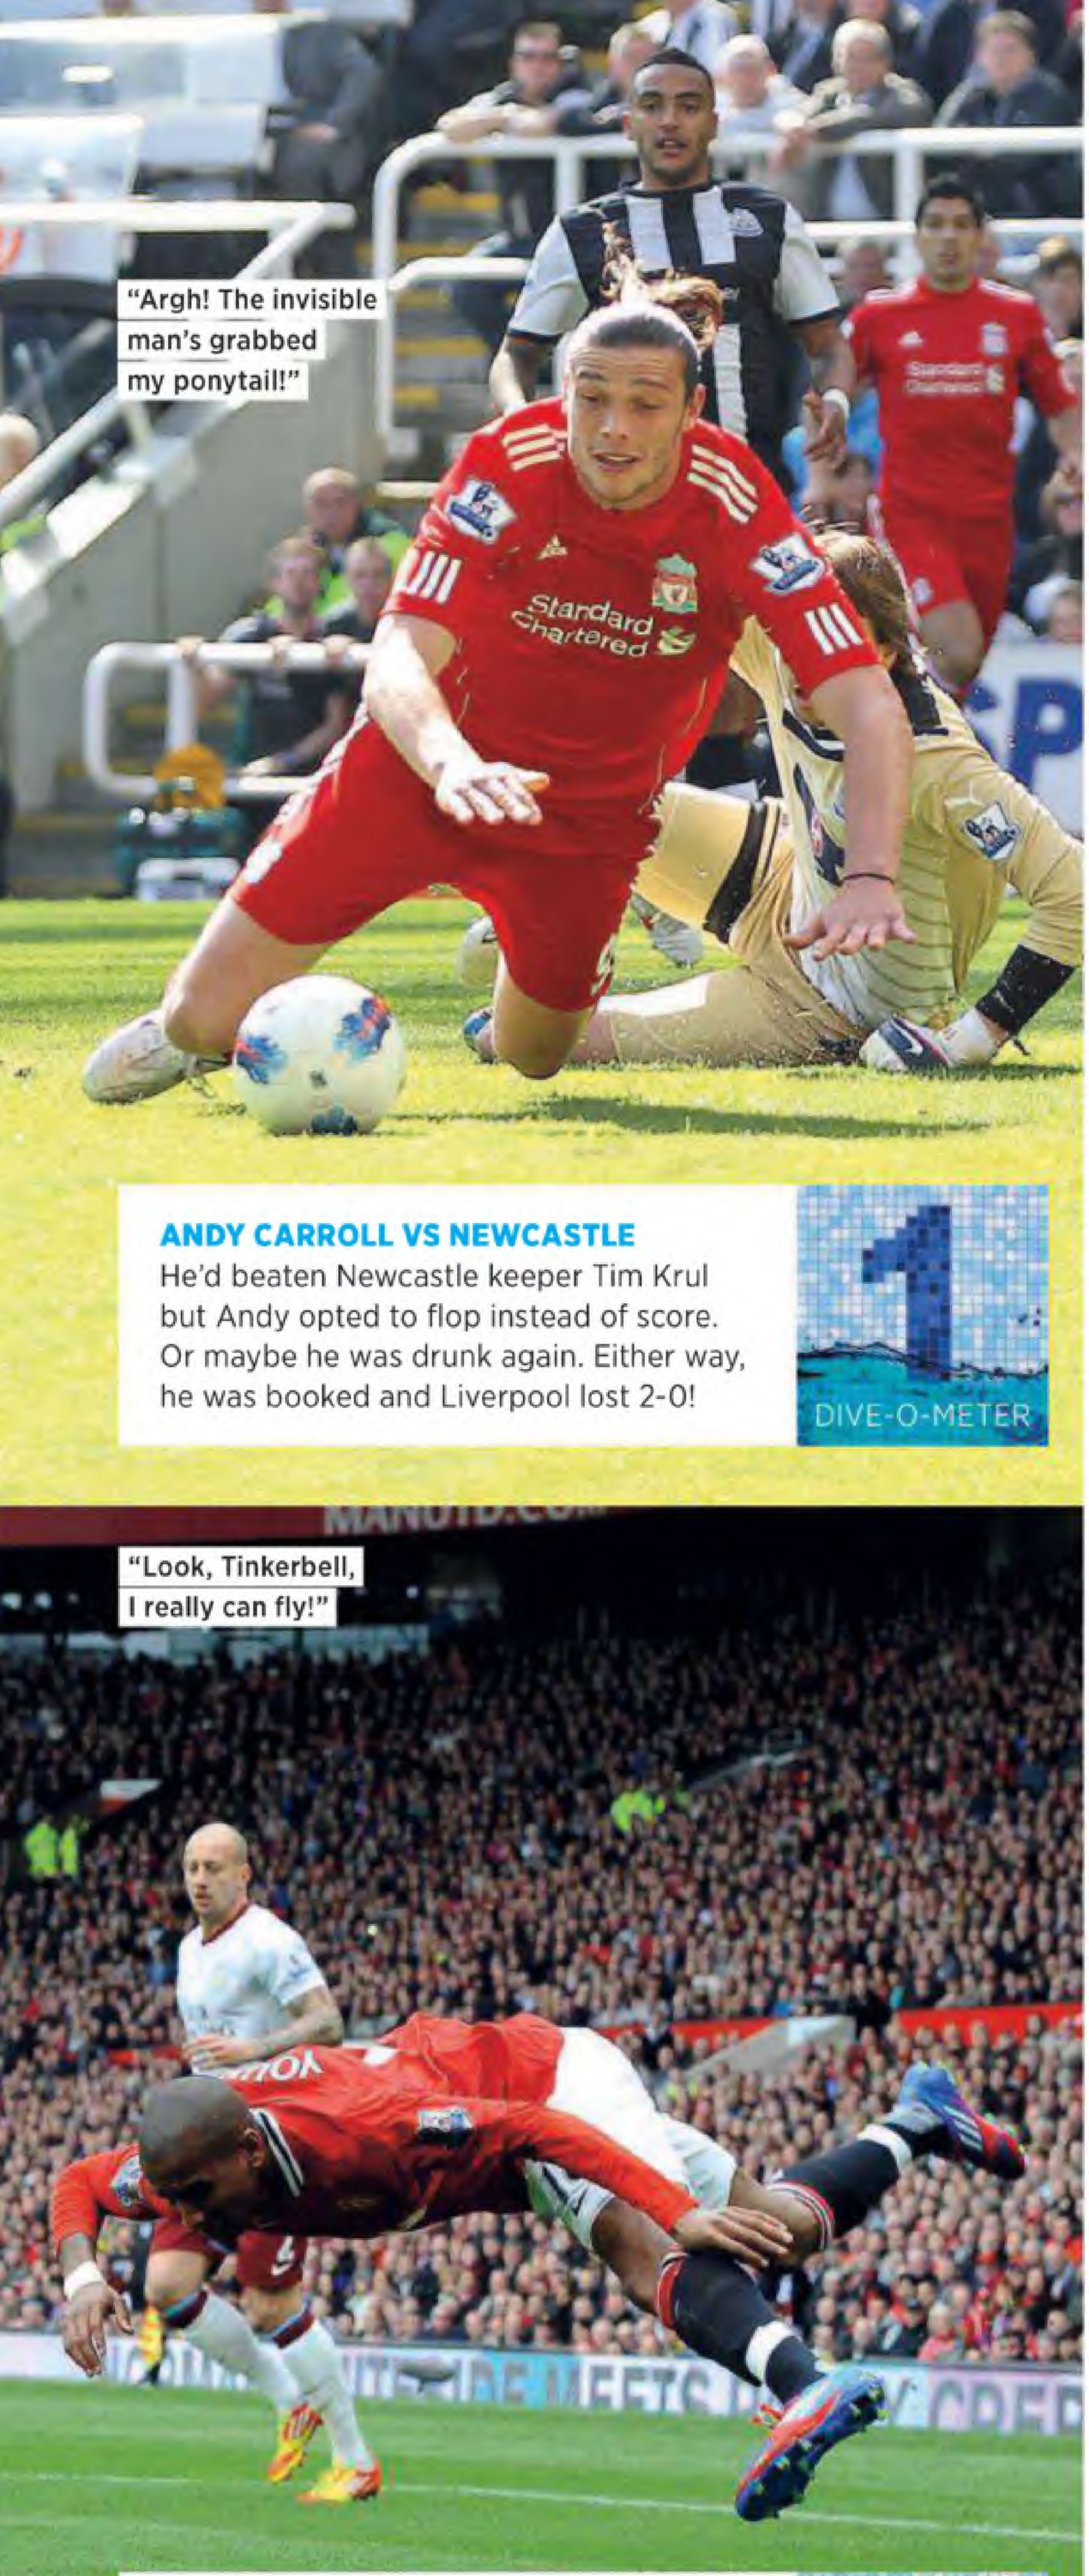

A cracker! The winger broke through the Arsenal defence then launched himself over Wojciech Szczesny. Spurs got a penalty, but justice was done as the Gunners won 5-2.

CARLOS TEVEZ VS NORWICH

Poor old Carlos was booked for diving despite being stamped on by Norwich's Ryan Bennett. The Argentinian's clearly a bit out of practice. Must try harder!

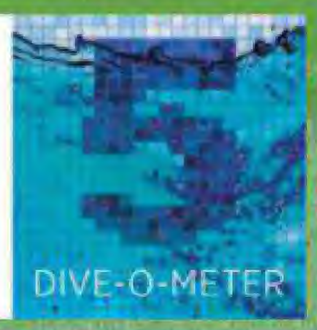

ANDY CARROLL VS NEWCASTLE

He'd beaten Newcastle keeper Tim Krul but Andy opted to flop instead of score. Or maybe he was drunk again. Either way, he was booked and Liverpool lost 2-0!

ASHLEY YOUNG VS ASTON VILLA

Ashley again! His beautiful reverse pike with somersault over Ciaran Clark's leg had referee Mark Halsey fooled. Rooney slotted the pen and Man United won 4-0!

World's greatest stadium!

Swimming pool, aquarium, nightclub – it's got it all!

NOW THIS is what we call a stadium! Yes, it's probably got rickety seats and toilets that need a scrub, just like ours, but it's also got a big fish tank, a cool swimming pool and mechanical seagulls. Gents, we give you the Florida Marlins baseball team's new £320m home!

IT HAS AN AQUARIUM!
It's no surprise a club named after a fish have an aquarium. Behind home plate sits a 450-gallon tank with over 100 inhabitants – and bulletproof glass in case a ball belts it!

IT TURNS INTO A NIGHTCLUB!
After the game, punters can head to the Clevelander club for a boogie. Wolves fans could use one of these at Molineux to dance away the pain of defeat!

THERE'S A SWIMMING POOL IN THE STANDS!
What better way of cooling off during the game than a dip in the stadium's own pool? This would go down a storm at Anfield – Luis Suarez loves a good dive!

AND WHEN A HOME RUN IS SCORED...
Mechanical seagulls, marlins, flamingoes, waves and a sun light up, as water jets shoot 30ft into the air. We hear Fergie wants one at Old Trafford next year!
